# Client Overview

**Client Name:** 261 Degree Projects

**Industry:** Architecture Firm

**Location:** Panchkula, India

**Company Bio:** At 261 Degree Projects, we take pride in being the solution for your interior designing and architecture requirements. We cater to the needs of our clients in Panchkula, Mohali, Chandigarh, and Himachal.

# Our Approach

We have reviewed 261 Degree Projects "Google Business Profile" step by step from each Google guidelines prospective. We have found that, "Business description" and "Business Address" are not according to the Guidelines for representing your business on Google

# Action Taken

## **Removed Promotional Content in Description:**

We have made changes in "Business description" and removed the promotional content.

## **Corrected Address Format:**

We have made changes in Business Address. The address format was incorrect as City field name includes Sector 12-A

# Result

261 Degree project “Google Business Profile” approved within 5 days.
